## Why You'll Like This Home!

Every Baltimore neighborhood has its own special charm and Greektown is no different. Currently, in the midst of a mini-renaissance with the new homes being built on O'Donnell Street, it's a good neighborhood becoming better. Canton Crossing is a bike ride away as is Merritt Athletic Club. The Greektown Community Development Center is very active and does a lot to ensure the quality of life of its neighbors. Many of Baltimore's best and largest employers — Johns Hopkins Bayview — Amazon — Under Armor — H&S Bakery are within walking distance or a short ride.

Your new home experience will feel like you're moving into a new home. Everything is freshly updated. The lower level family room is a great place to watch TV and make your home the place to entertain friends and family.
