### **Why You'll Like This Home!**

Dundalk — Hon!! A great place to call home and raise a family.

When you think of Baltimore neighborhoods those who know Dundalk appreciate its close ties to hard work — good families — and schools dedicated to kids getting a balanced and solid education.

This home built just after WWII is a very comfortable and affordable place to call home. The neighborhood boasts a quaint traditional feel — quiet streets and well groomed yards makes coming home a joy.

Plus, it's just a short bike ride or car trip to Water's Edge where ball fields and parks line the water of Baltimore's entrance to the harbor.

This is not a drive by — call today and schedule a look.
